DJ Play List

We have over 10,000 songs available to play on your wedding night covering all genres, ages and styles. We develop and adapt our play list on the night based on your guest's requests and dance floor feedback. We are also happy to incorporate any personal requests you may have beforehand or on the night itself. The following is just a very small sample of the genres and artists which we are often asked to play.

Modern Dance	Modern Rock	Dance 90's / 00's	Pop 90's / 00's
